

# YOUR BEST FRIEND JUST GOT **BIGGER.**

Announcing that we now have \$2.5 billion dollars available for investment. Technically speaking, that makes Golub Capital a very big dog. But we're still as friendly and eager to please as ever.

We can commit \$5 million to \$75 million of debt for your transactions. We offer innovative combinations of one-stop debt financings, senior and subordinated debt, preferred stock and co-investment equity. Our deals close on time and as proposed. We have a 12-year track record to prove it.
