

JUST WRONG

Some things are simply not meant to be,
and the world is a better place for it.
Other things are just right — for example,
the way it feels to deal with Golub Capital.

We can commit \$5 million to \$75 million
for your transaction. We offer GOLD
(Golub Capital's One-Loan Debt) facilities
and innovative combinations of senior
debt and subordinated debt, preferred
stock and co-investment equity. Our
deals close on time and as proposed, and
we have a 13-year track record to prove it.
That's what experience gets you.

JUST RIGHT.

Golub Capital. We get it right.
