

# BE CAREFUL WHO YOU TAKE **WITH YOU** ON YOUR **NEXT DEAL.**

What if it's a deal-poaching weasel? We know how great it feels to be on your way to the perfect deal. But if you're not careful, you could be inviting your competitor to the table. Instead of curbing your enthusiasm, why not share it with Golub Capital? You'll find no deal-poachers on our staff.

Our \$800 million capital base lets us commit up to \$40 million as innovative combinations of subordinated and senior debt, one-stop financings, preferred stock and co-investment equity. Our deals close on time and as proposed, and we have a 11-year track record to prove it.

Golub Capital. We treat you as partners, not prey.
